ATTENTION ALL MEN!!

Would you like to participate in collegiate athletics? Do you think you are tough? Are you a man in your own eyes?

If you answered yes to any of the preceding, here is your chance. Come out for the Behrend wrestling team. This is your chance to show your girl what kind of man you really are, or to prove it to yourself. Wrestling is one sport where size is insignificant. It is a sport for all sizes because your opponent is the same size as you are.

Strength is not the only decisive factor in winning a match. Speed and agility are very important. But probably the most important factor is "brains". "Brains" are necessary to react correctly in each new situation. A moderately strong wrestler with "brains" can make a strong, "brain deficient" opponent look awful.

Wrestling is both a team, and an individual sport. You can have the honor of being a member of a winning team, and still be a loser in your weight class. Then on the other hand, you can become a state, or even a national champ even though your team never won a match. When you get out there on the mat, there is no one to back you up. If you goof, there is no one to push the blame on. If you win, you get all the glory that comes with it because everything is up to you.

If you would like to wrestle this year, particularly you big strong men, contact our very fine wrestling coach, Mr. Onorato. You can still come out even if you have had no previous wrestling experience.

SPORTS CAR CLUB

At an organizational meeting held November 8, tentative plans were announced for a Sports Car Club on campus. It is intended to be a social club for those interested in sports cars, and to promote safe competitive racing.

Plans were discussed for a trace, (a short race), to be held November 26. This trace and any future traces will be open to anyone interested. A Gymkhana, which is an obstacle race for time, and numerous sports car rallies are also being planned. Definite plans for all future events will be posted as they are determined.

Anyone who is interested in further information should contact the advisors, Mr. Hendrix or Mr. Finley.

CUB'S BASKETBALL

Of the twenty-two men who came out for basketball team only fourteen are left. Of these fourteen only twelve will be suited for the scheduled games. As a result of this situation intra-squad competition is very keen.

In the first intra-squad scrimmage Howie McGregor, last year's only returning letterman, suffered a broken nose which sidelined him for two days. Although he must wear a facemask to protect his healing nose, Howie is now back in full action.

The biggest man on the team, Don Fry, has been sidelined indefinitely with a foot injury. Don was expected to be a big help with the rebound chores, and his loss will be hard felt.

Since the years team will be relatively "small," what they lack in height will be made up in speed. A fast-breaking quick shooting offense combined with a tight defense should prove to be the key to another successful season for the Behrend Cubs.

Roster:-

Doug Moorhead	Bill Cox
Duane May	Bruce Gerber
Mike Kauffman	Dave Karotko
Duane Edwards	Pat Gerity
Bob Locke	Tom Rutkowski
Dave Moorhead	Don Scroggs
Howie McGregor	Bob Sydow

SCRIMMAGES

Friday, November 10 the Behrend Cubs took on Alliance College Freshmen in a basketball scrimmage. This will be the second game for the Cubs who opened their season last week.

The following Friday, November 17 the Cubs host The Erie Business Center in a scrimmage. The game will be a preview to a movie program to be presented by the Behrend Players. The cost for both will be only fifty cents. (CHECK)

SKI CLUB

The Behrend Campus Ski club under the direction of Mr. Yartz is now being organized for the 1967-68 Winter season. Lessons cost \$20.00 and a season's pass costs \$35.00. There are special rates given to The Behrend Campus Ski Club. For more information on the ski club talk to Gary Baron or to Mr. Yartz.

BOOSTER CLUB NEWS

The BCABC has announced that they will be mailing weekly newsletters to all members of the club. Watch for yours in the mail.
