

## SNEAK PREVIEW

Most of you, by now, have a vague awareness that a big event will take place on this campus in the near future. Some of you are aware that this event will be the Nittany Cub presentation of the "Christmas Cotillion." Since students have been questioning the staff concerning this dance, we have decided to give the Behrend students an exclusive sneak preview.

This gala event will take place December 16 and it is by invitation only to Behrend students and faculty. There is a very good chance that the Cotillion will be held in the new RUB ballroom which will lend charming effect to the evening.

Dress for the dance will be semi-formal—coat and ties for the guys, and cocktail dresses for the girls. Rumor has it, however, that many of the girls will be wearing long gowns.

The ballroom will take on a "Happy Holiday" atmosphere which will transmit the "Christmas Spirit" to everyone attending. The exact plans for decorations are being kept top secret, but this much can be related—You're in for a big surprise!!!!

In a recent sports article in the McKeesport Centurion, Behrend has been noted as the "Commonwealth Campus' answer to the NBA's Boston Celtics and Philadelphia 76'ers. They have also stated, "The reason Behrend is always a winner is because they have rabid student support for their basketball team."
