## ATHLETE OF THE WEEK

by Pete Eichenlaub

Always coming through with a point total in the double figures, Doug Moorhead has been selected as "Athlete of the Week".

Doug has been averaging over 17 points a game, and has made 45% of his shots. The Iroquois graduate has scored a total of 297 points. Forty-one of these points have been from the foul line.

Last Saturday afternoon at DuBois, Doug led the Cubs with 25 points, 22 of these from the floor; and in the Jamestown Community College game, played at Behrend last Tuesday night, He scored his season's high total with 29 points, 28 from the floor. He made the only free throw he received.

Coach Sweeting remarked, "Doug has been one of our leading scorers all season, and consistently makes his 20-foot jump shots from the floor."

## INTRAMURAL VOLLEYBALL

Today is the last day to turn in team rosters for intramural volleyball. Coach Roger Sweeting reminds all team members that competition will begin Tuesday, Feb. 13 at 10:45 a.m., and also to check the schedule posted in Erie Hall for the times and pairings of the games.

## Winterkhana Results

On Sunday February 4, the Behrend Campus Sports Car Club held its second automotive speed event... the "Winterkhana" in the school's center parking lot. The Winterkhana, usually called the gymkhana or trace, consisted of a small road course in which the cars, one at a time, competed against the clock. The cars were divided into different classes according to body style, performance and handling ability.

The members of the club wish to thank all of you participants and spectators alike for making the Winterkhana a success. We also wish to express our appreciation to Penelec for the road pylons used to mark the course and the gentlemen at PIT STOP 26th and Sassafras Streets, for the trophies which were awarded to the winners of each class.

### CLASS

#### Large Sport

Name	Car	Time
John Szczesny	Sunbeam Tiger	1:36
James Robison	Healy 3000	1:42
Keith Eastman	Healy 3000	DNF

## CUB WIN TWO

Behrend continued on its winning way with victories over DuBois (82-77) last Saturday, and Jamestown Community College (89-75) on Tuesday.

The last time the Cubs played in DuBois they set a record of 137 points scored. This time it was a different story. The first half was comparatively conservative (compared to the second half) with DuBois trailing by only ten points at the half. The last period was a different story with DuBois outshooting Behrend, 47 to 42, led by Larry Nelson of DuBois with 27 points. At one time late in the game DuBois trailed by only one point but, the Cubs managed on and pulled out a 82-77 victory.

High for Behrend were Doug Moorhead with 25, and Dan Fry with 22. Game high honors went to Larry Nelson of DuBois with 47 points.

Tuesday night the Cubs hosted Jamestown Community College. The name of the game was ball control, and Behrend played it to perfection. Control of both the offensive and defensive boards combined with an overpowering fast-break enabled the Cubs to coast to an easy 89-75 win. High scorers for the game were again Doug Moorhead and Dan Fry, with 29 and 24 points respectively.

## GAME OF THE SEASON

The most important game of the season is this Saturday, February 10, against the Altoona Campus. The Cubs must win in order to get in the PJCAA state tournament, to defend its state championship title.

The team must also make a good showing in this game in order to participate in the Commonwealth Campus Tournament, March 1 and 2, at University Park.

This is an away game, and the bus leaves at 9:00 a.m. Saturday for the trip to Altoona. There are only fifteen seats to be filled. Out of a school of over 500 students, we should be
