

PLAYERS TO PERFORM

On Friday, March 1st, the Behrend Players will present, **THREE FOR ONE**, an evening of experimental one-act plays, in the RUB lecture hall at 8 p.m. Admission is free.

This evening of various entertainment will be presented solely by Behrend students for Behrend students and is an attempt to present theatre without a great emphasis on scenery, costuming, or line retention; thus accentuating the acting and directing.

Charles Kennedy, with production assistance by Beth Price, will direct **IMPROMPTU**, a drama of modern conflict, which stars Marcia Barton, Patricia Janowski, Herb Simmons, and Jim Burger.

Bill Benko will play Jim Bowie, and Bill Trimble will portray Davy Crockett in **TO SEE THE ELEPHANT**, a play under the direction of Fred Rhybom and the production of Deanne Balmer. Also appearing in the cast will be Claudia White, Kim Kimberlin, Gregg Wright, Pat Trimble, Ron Batchelor, and Jamie Nevil (who sings for the first time anywhere).

The final production of the evening will be Ron Batchelor's **THE LAND OF COUNTERPANE**. Appearing in this comic fantasy will be Anne Tomczak, Deanne Balmer, Charles Tovel, and Pat Trimble.

Why not come out and see what the Behrend students can do on their own.

COFFEE HOUR ANNOUNCEMENT

It has been announced by Mr. Mercorella that another student-faculty coffee hour will be held. This hour of informal discussion will take place on Wednesday, February 28, during the 5th period. The quiet study lounge of the RUB will be the meeting place. The Cub urges all "interested" students and faculty to participate in this relaxing hour of interesting and, at times, stimulating conversation.

SPRING PRODUCTION TRYOUTS

Auditions for the Behrend Players' Spring production, **TIGER AT THE GATES** by Jean Giraudoux, will be held on Monday, March 4 and Tuesday, March 5 in the Gym from 7-9:15. All students, whether or not members of the Players, are urged to try out. The play has roles for 6 women and 10-13 men, as well as opportunities for working with scenery, lighting, sales and promotion. For further details, contact Ron Batchelor, Marcia Barton, or Jamie Nevil. Copies of the play are now available for reading in the library.

STUDENTS TO SPEAK AT DAR

The Waterford chapter of The Daughters of the American Revolution has asked that two Behrend students present a program about an outstanding American. The students selected for this program are Diane Proserpi, sophomore, Zoology and Kenneth Carpenter, sophomore, French.

The title of the program they have chosen to present is "George Washington: The Patriot and the Man." The two members of the Speech 200 class will be accompanied by Mrs. Nyla Falkenhagen to Waterford, this Tuesday, February 27.

BEHREND ALUMNUS HONORED

Tom O'Connor past president of the SGA at the Behrend Campus has been appointed by the O.S.G.A. to sit on the Senate Committee of Undergraduate Student Affairs at the University. This is one of the highest positions a student of the University can achieve, and it is also an indication that a student of a commonwealth is definitely not at a disadvantage as far as positions with the University.

WINTER CARNIVAL HELD

On the weekend of February 17-18 a Winter Carnival Weekend was held at Behrend. On Friday evening Patty Frantz, 2nd-Education was elected queen of the '68 Winter Carnival. Saturday evening's festivities included skiing and tobogganing on the Behrend slope, the last regular season basketball game, and finally the Nittany Cub and Sorority sponsored Coffee House.
