

HOLY WEEK OBSERVANCE ON CAMPUS

There will be a non-denominational chapel service held during the Common Hour at 10:25 a.m. on Thursday, April 11. The service will be held in the Reed Lecture Hall.

Several Behrend students will be taking part in the service and the Behrend Band will also be participating. The Rev. Mr. Willard D. McMillan who serves as Director of Spiritual Activities at Geneva College in Beaver Falls, Pa. will speak. His broad past experience as serviceman, student, coach and pastor should lend meaning to his topic which is "The Relevance of the Resurrection".

Also, at 2:50 in the afternoon there will be an informal gathering in the lounge of the Reed Building. Coffee will be served at this time. The Rev. Mr. McMillan's topic will be "Knowledge, New and Old".

It is hoped that you will make either one or both of these services a part of your Holy Week observance.

ALCOHOL CONFERENCE

In response to the rise in high school and college drinking in the past few years, Gannon College sponsored the first college conference on drinking on April 14. The day's program consisted of opening remarks by an eminent physician and a member of the State Liquor Control Board concerning liquor, its uses, its effects, and its place in society today.

Student conducted discussion groups were held later in the afternoon on such topics as changing attitudes towards drinking and the impact of lowering the drinking age in Pennsylvania. Following dinner, a film was shown and summaries from the discussion groups were given.

Attending the conference from Behrend were Denise Bufalari, Concetta Rizzo, John Jackson, Ginny Kraus, and Nancy Glover.

BOOKWORMS ATTENTION

The library will be closed at night and limited daytime usage during this week and part of next due to the installation of new shelving. The mezzanine study area, and the sound center will be open and students may still check out books; although we are asked by Miss Schumacker not to use the ground floor study areas. This re-arrangement is planned with the student in mind and is promised to be as fast and expedient as possible.
