GOOD SEASON AHEAD

Behrend opens its soccer season, on Saturday, October 12, against a good Bradford Pitt team, at Behrend.

Coach Lauffer has yet to name a starting team. He says he is looking for eleven men who will hustle and show a lot of spirit. Coach Lauffer also says that a lot of subs will see action.

Our team is young and inexperienced but they have a lot of hustle and the will to win. They face a tough schedule, but if they keep improving like they have been, the team will do well.

Behrend will enter the Bradford game with tri-captains. They are Pat Gerity, Rich Stuart and Don Finell.

Pat, sophomore halfback, lettered in basketball and baseball last year. Although this is his first year on the soccer field, he adds hustle and spirit to the team. Rich, sophomore wing, played soccer last year and he will add some needed experience to the team. He is left footed and is expected to add some scoring punch from the left side. Don, sophomore goalie, did an outstanding job last year and is expected to be one of the high spots of the team.

Although Behrend faces a tough schedule, the team has good potential and Coach Lauffer is looking forward to the season.

There is one thing the team needs if it is to have a winning season and that is school support. That means that it is up to the students to support our team by attending the rallies and going to the games. We are looking forward to seeing everyone at the game Saturday afternoon.
