## SOCCER HIGHLIGHTS

After a 3-0 setback by LORAIN, the Behrend Cubs took to their winning ways once again. This time it was a fateful Fredonia Frosh team who took the blunt of the blow on Wednesday, Oct. 23, for the Cubs managed an impressive 5-2 victory. Tom Albrecht again proved to be a key in the offensive attack as he scored three of the five Cub goals. The other scorers were: John Granahan and Pat Haberman.

At the BRADFORD-PITT field the following Saturday. The Cubs were unable to score and were shutout by the score of 1-0. Throughout the entire game both teams were to be locked in a defensive battle due to the unfavorable weather. However, as luck would have it the Panthers managed to score in the third which was all they needed to down the Cubs.

BUFFALO'S ERIE COUNTY TECH soccer team came to Behrend, Tuesday, Oct. 29, and managed to outscore the Cubs 3-2. The game was tight all the way with neither team dominating the action. Behrend had actually scored three goals, however, one was a missfire from our fullback which bounded past our goalie to post a score for Tech. The Cubs' goals were scored by Jim Frye in the first period and by Pat Gerity in the last period.

Behrend almost managed a shutout Saturday against the Dubois campus and outscored their opponent 3-1. Tom Albrecht led scoring once again by kicking two goals. The other goal was made by John Granahan. The Behrend soccer team will close out the fall season Thursday when they meet the Alliance J-V's in Cambridge Springs.
