

# Tournament to be Held

On January 24 and 25, Behrend Campus will host the second Intercampus League Tournament.

This event, sponsored by the SGA, includes three areas of competition: chess, table tennis and bowling.

Competing against Behrend will be Altoona, Sherango and Duboise campuses.

The tournament will begin Friday afternoon, continue that evening, and end Saturday morning. The chess and table tennis matches will be held in the RUS, while the bowling competition will be at the Eastway Bowling lanes.

As yet the teams representing Behrend haven't been chosen. The teams will include: 3 for chess, 3 for table tennis and 6 for bowling.

Last fall, at the first Intercampus League Tournament, Behrend placed first in the table tennis competition.
