

# HEY MR. POLANCY!

Dear Jack,

This letter is to inform you that the Behrend Campus (ever hear of us?) ended its regular basketball season with a perfect record. With our boys running up a record of 137 pts. against Mc Keesport last Saturday we ended up making history at the Campus. WE have ended our season with a 20-0 record. (That's correct, no one beat us.) Though we had to come from behind to win a couple, we proved we could win in any situation. No team in Behrend history has compiled such a perfect season. Stop up some time and we'll show you how to play hoop. With a coach like Rog Sweeting and his assistant Mr. Lauffer, the boys can do only one thing and that's win and win big. Why, Mr. Polancy, our clean-cut coach even went hippy for us to show us his appreciation of our team effort. Our boys are proud to represent Behrend on the floor and we're proud to back them. This coming weekend our boys will be traveling to Delaware to play in the regionals. They will be going against teams like Robert Morris Wesley, and others. They have boys on their roster standing 6'10", 6'9", 6'7". We have one boy 6'5" but we're going down there to win.

Now let me inform you about our boys. Why we have a boy on our team who was injured early in the season and has had a cast on his right arm ever since. But he's been at practice every night and has the strongest left arm in the country. Oh, yeah, he's the best yipooer in Law-

rence Park. Yes, that's right, his name's Mike Hook. Mike was a starter and played in only eight games before his injury, but he scored 94 points and helped to win our victories. Another boy following in Mike's footsteps is Stan (Staush) Perret. He was also injured early in the season but came back strong and added 38 points to the team's total. Two other members from Lawrence Park, Dave and Doug Moorhead contributed 108 and 210 points respectively. The "Heads" keep the team alive. When Doug is not smiling he's bugging Dave about "Cherry Pie". Dave Karotko, who joined the team late in the season, has played 7 games and scored 10 pts. When not found talking with "Rev." Pete Saunders, another member of the team. Pete keeps the fans on their feet when he's on the floor and has contributed 13 pts this year. When not on the court, he's giving sermons to Dave and Mike. Mike Kauffman who likes Pete's eyes has thrown in 62 points this year. Leading the team with total pts. this year is Mr. Dan (Harold) Fry. Dan has hooped 370 points averaging 18.5 pts. per game. Doug (Dooop) Zimmerman has thrown in a total of 332 points this season. He has led the team in rebounds collecting 243 of them this year.
