HEY, MR. POLANCY cont...

Rob Schweitzer has added 128 pts to the team plus a few bumps and bruises to the other members of the squad. Our two little men, Pat Berity and Eric Obert have added 65 and 22 points. Sarge Gerity is our leading gunner. When Pat's around you know it. Eric (Big O) Obert, a Union City boy, favours an underhand lay-up to do most of his scoring. Leading the team in assists this year was Dave [Roomy] Davies. He had 91 assists as well as 253 points. [Cutie] May has popped in 323 pts and has been knocked to the floor after most of these shots, resulting in 99 out of 144 foul shots being made.

All but May, Karotko, Fry, Dave and Doug Morehead, Kauffman, and Gerity will return to the squad next year. So we'll be looking forward to another good season.

Scoring a total of 2,028 points, our team's average was 102.4 points per game. It sure is amazing you didn't hear about us this year after all of this. Why, Kansas City heard about us and even ranked us nationally, and that's not even near Erie. Oh well, we didn't need your publicity to win but I sure think we could have given you some for your paper. Stop around next year.
