

CUBS Overcome In Tourney

The Region XIX Basketball Tournament was held February 27, 28, and March 1 at Westley Junior College in Dover, Delaware. From among 40 other teams in the area, Behrend was selected by a Regional Committee as one of the eight participating teams.

The Behrend Campus lost the first game of the Tournament because the players "tensed up". The emotional strain on the individual players was great and they were just not able to perform to the best of their abilities. In the first half of the game, the players made only four shots out of 34. The Behrend team made a strong come-back at the end of the game, however. With ten minutes remaining they made more than twenty points. The Behrend team's ball pressure was good throughout the game. They also had strong man to man defense.

The Brandywine team had two players who were 6'5" tall. The whole Brandywine team was made up of scholarship players.

The final score was Brandywine 85, Behrend 72.

Brandywine lost to Robert Morris Junior College in the semi-finals. The Tournament was won by Robert Morris defeating Baltimore in the finals.

The other seven teams in the Tournament were: Robert Morris Junior College (Pittsburgh), Baltimore Community College, (Baltimore), Montgomery Junior College, (Washington

D.C.), Atlantic Junior College (New Jersey), York Junior College (York, Pa.), and Brandywine Junior College (Delaware).

The intra-mural basketball season ended February 19th with the playoffs. In the intra-mural basketball games this year, there were sixteen teams. Eight of these teams played two games every Monday and Wednesday evening at 7 and 8 o'clock, and were called the Evening League while the other eight teams played during Common Hour and were called the Common Hour League. In the playoffs, the first place Evening team played the second place Common Hour team, and vice versa. The two first place teams won; the first place Common Hour team was League Champion.

The games consisted of two halves of fifteen minutes each.
