III. Evaluate Personal Habits - there are approximately 35 candidates for this year's team. There will be many returning veterans from last year's squad. If you expect to play baseball, you must take seriously your obligation as an athlete.

There are enough bona fide baseball players enrolled at the Behrend Campus to form a fine team this year. If you are willing to dedicate yourself to the task, it might be an outstanding season. If you are willing to make the above preparations, please contact Coach Sweeting. He has a mimeographed sheet dealing with the above information. He will assist you in any way possible. We're looking forward to a fine season.

Good Luck!

REGULATION
