Fresh Grass

This coming May 10 will be the date for the largest dance of the year at Behrend Campus. From 8:00 to 12:00 p.m. the walls will shake with the earth-moving sound (psychedelicious with country overtones) of the KNOLF. Also for the soul-lovers there will be The "poor man's" Temptations or the JAMS to provide some mighty fine hip-shakin' music.

In addition to the entertaining there will be a POSTER SALE and the old door-prize gimmick. Door prizes will consist of two cases of Coke, posters, a box of Tide, and a can of deodorant (no kidding).

The other schools invited will be: Gannon, Mercyhurst, Villa, Academy, Prep, McDowell, Strong Vincent, East, North East High and others.

This dance promises to be the best of the year, and the biggest and best part is that it only costs a buck, and it was organized by a member of SFM, BCABC, and the GPI, which means a lot. So everybody get tanked up (gasoline) and come out to Erie Hall on the tenth for a real ZINGER!!! (Are you with it?)

SGA Elections

The Student Government Associationn elections will be held the sixth week of the Spring term. The Student Body President, the Treasurer, and one-third of the representatives will be elected.

Campaigning began the third week of the term, or Monday of this week. Any full-time student who will be returning to Behrend and has cumulative and recent term averages of 2.00 (or better) may apply. Application forms and details are still available in the S. G. A. office. The deadline is drawing near.

S.M.S. Day!!

Dormies rejoice! Our hero, Mr. Finley, has again led the Behrend cafeteria to victory! We have gotten word that the central authority at the Big Campus has included on the menu for May 6--- MEATBALL SANDWICHES!!!

At last all you SMS-lovers will get your wish. So remember that date (and let's not go to extremes, like starving yourselves for two weeks in anticipation of this glorious event) and don't forget to get out of bed for supper.....SMS-DAY....May 6!!!

HAPPY BIRTHDAY
