

# Editorial

by Mark Moffet

The forth-coming S.G.A. elections have evidently created quite a stir on our fair campus. The astonishing deluge of petitions for hopeful candidates which has swamped the S.G.A. office forecasts that a highly competitive battle is in store. Petitions for the office of president number an unprecedented two. Those running for the five open representative posts total three, which immediately indicates overwhelming interest in who represents whom. We have a single person running for the treasurer's post who, no doubt, can expect a difficult struggle. As you can see, Wednesday, May 7 should be an exciting day for all involved-especially those who will be required (poor things) to wait out the formality of an election. It seems the only undecided factor is which of the two candidates will be elected president. With this single exception, the Nittany CUB wishes to ignore the elections and extend immediate congratulations to the winners. It was a real struggle, wasn't it. . . ?? . . . it still isn't too late . . . petitions available in the S.G.A. office.

GREEN GRAB

May 10

# USG NOTE

University Park, Pa., Theodore Q. Thompson, of Yeadon, a junior in political science, has been named president of the Undergraduate Student Government at The Pennsylvania State University.

He will succeed James L. Womer, of Havertown, senior in political science. During the past year, Thompson served as vice-president of Undergraduate Student Government.

Other officers named to the Undergraduate Student Government posts are Aron Arbittier, of Philadelphia, junior in political science, as vice-president; and Theodore Itzkowitz, of Scranton, senior in accounting, treasurer.
