

Banquet Tonight

The second annual Athletic Awards Banquet sponsored by the B.C.A.B.C. will be held Wednesday, June 4, at 8:00 p.m. in the cafeteria. The Master of Ceremonies will be our own Mr. Stephen Cohen and the main speaker will be Coach John W. Bach. Coach Bach, head coach at Fordham University for the past 18 years, was named head basketball coach at Penn State on Feb. 21, 1968.

He succeeds John Egli, who retired after 14 seasons to become director of the sports programs at Penn State's 19 Commonwealth Campuses.

Bach, a 1948 Fordham graduate and a former professional player for the Boston Celtics, comes to Penn State after guiding Ram teams to 263 victories and 194 defeats in 18 seasons. He also served as Athletic Director at Fordham for the last ten years.

"I'm delighted to join an athletic program with such prestige as Penn State has the facilities, the atmosphere, and the quality of staff that make for successful coaching."

The 43-year old Bach is a native of Brooklyn, where he was an All-City basketball player for St. John's Prep. He enrolled at Fordham in 1942, and helped lead the Rams to a 16-5 record and their first NIT in 1948.

Golfers Wind Up Season - Beat C.C.C.

After winning a triangular meet at the Atabula Country Club, the Behrend golfers marked up another Commonwealth Campus Golf Championship at State College. They maintained a 17 stroke lead over the second place team. John Kocet and Jay Holbus each shot 78's for the day despite the windy conditions that prevailed. Another trophy has been added to the Behrend showcase.

The golfers traveled to the Jackson Valley GC in Warren last Tuesday to notch another regular season win 15-3. Duane May cranked a 78 and Ken Shaffer turned-on with a 79.

Coach Monahan and five members of the team traveled to Pittsburgh Sunday and participated in the two day Regional 19 Junior College Golf Tournament. The team placed fourth among many outstanding teams in the East. John Kocet led the scoring with rounds of 79-81.

Our clubbers took two matches from Cuyahoga Community College last week. They took the first match at home in a five-player match with a score of 23-7. Then they traveled to Cleveland and in a six-man contest won again with a score of 13½-11½. An extra point was added to the score of Cuyahoga for having the low medalist.

with as much right as I do have and I don't have very much right to speak about the greatness of a black leader, but I think Malcolm X who was thrown out of the Muslims by Elijah Muhammad was the greatest man we've ever had history. And I'd personally say before we honor George Washington who had slaves and was a racist; and Abraham Lincoln who really didn't free the slaves but instituted the draft; and President Eisenhower who really did nothing but maintain the status-quo although he was a great guy; we should honor some of our really great men. We should honor Malcolm X.

ARE THEY GOING TO HAVE A CEREMONY HERE AT FIVE?

No, this is just a party. You see it's very hard to be a revolutionary 24 hours a day, seven days a week. So rather than being up-tight so much—we like to enjoy ourselves for a change. END

STEIN (cont. from p. 6)
it's a black definition. Segregation is something the whites made up; integration is something the whites made up; civil rights laws are something whites made up. And basically what the blacks are saying is get off our back, we're perfectly capable of doing it on our own.

I think it would do well for people who were there or hear about it to read: Number 1—Malcolm X's biography, which everyone should read anyway and then they'll have a lot of questions I think, about Elijah Muhammad, that you'll want to ask yourself and do a lot more research. With my personal point of view, and

TENNIS CONTINUED FROM ABOVE.

Saturday, May 24, the team beat Lorrain County CC from Elyria, Ohio, 8-1.

Tuesday, May 27, the Cubs recorded their 3rd shutout of the season, beating Beaver Campus 9-0.

Coach Lauffer has done an outstanding job this season and he really has a group of talented tennis players. Their 8-0 record has certainly given Behrend students something to be proud of.
