

Baseballers 93 Best Season

The Behrend Baseball Team brought their record to 4-1 after defeating Bryant and Stratton of Buffalo by the score of 5-1 and Jamestown CC by the score of 8-5. The winning pitchers in these games were Tom Nelson and Bob Johnson.

Coach Sweeting remarked that this is the best start that they have had in a season. He announced that the leading batters on the team are BOB Johnson, Rich Stuart, Tom Nelson, Larry Taylor and Tim Nuhfer. These athletes are currently batting over the .300 mark. The only homerun this season was hit by BOB Johnson in a home game with Jamestown.

The Cubs' ace pitcher Bob Johnson sparkled May 24, when he fired an eight strike-out victory in the first game of another double header against Du Bois (5-3), and batted a triple, two doubles, and a single against the "DuBoys" Nelson chucked a five to one victory in the second match.

The Cubs walked over the Beavers in a double header battle at home May 27, when pitchers Johnson Terry, and Kowalczyk held them to an eight to two victory in the first game, and Quigle and Nelson hurled for a sixteen to two victory in the second match. J. Taylor led the batting lineups with five hits for both games.

The team wrapped up its season by splitting a double header with Altoona Friday, May 30.

Bob Johnson pitched a fine game in the first contest, but was not well supported in the field as Altoona took it 5-1. Each team had eight hits during this contest.

In the second game, Tom Nelson fired a 4-hitter, turning in the best pitching performance of the year as Behrend blanked the Altoonians 5-0. This win makes Nelson's record for the season 4 wins and 1 loss, the teams' best. Bob Johnson has pitched 6 games and won 4 of these. Rich Quigle won 1 game bringing the teams' record to 9 wins and 3 losses.

This has been the best season Behrend has ever had percentage-wise. The 9 wins tie the number of wins we had back in 1967.

The highlights of the double header were Larry Taylor's 3 hits which led him to end his season with a phenomenal batting average of .433. Pat Pastilock was next with .400, and Bob Johnson was third with .375. Congratulations to all the members of the team on their best season ever.
