

Piedmont OSGA Asks Parents To Act Now

by Debbie Frye
The DAILY COLLEGIAN

UNIVERSITY PARK (APS)—Delegates to the Piedmont Regional Conference of the OSGA passed a resolution Saturday calling for parents of students and "friends of education" to contact their legislators, urging them to pass "an adequate higher education appropriations bill."

The representatives who met at the Capital Campus also voted to seek increased local support for the campaign, emphasizing that Commonwealth Campuses must act with the University as a whole for an effective campaign. Representatives added that communications between the campuses must be frequent.

Dick Hagen (7th-Counseling-Hellertown), the Region's representative to OSGA, said he presented the resolution to the Coordinating Committee at University Park which expressed the approval. Hagen said the Commonwealth Campuses are supporting the campaign through the circulation of general petitions and letters and raising money to support the drive. He added that campuses are contacting the media with the York Campus sponsoring 'spot' announcements on TV station WGAL.

Senate Bill 2047, which would cut the University's fund requests by 25 percent, prompted

the action by the delegates, who were opposed to the bill. They endorsed a proposal which would provide a substantial increase in allocations for Penn State, the University of Pittsburgh, and Temple University.

The representatives also agreed that after returning to their respective campuses they would try to have published in local newspapers an open letter expressing their "dissatisfaction . . . with the appropriations."

Bob Fuhrman, a delegate from the York campus, read a letter to the conference, expressing the feelings of the students there with regard to the appropriations. The letter emphasized the University's debts and dangers of further cuts in the budget. As a result, a committee of students contacted the University Park Coordinating Committee which recommended a campaign of letters, telegrams and phone calls to prompt the legislature into passing a favorable bill.

Lobbyists . . . (Continued from Page 1)

new revenues to balance the 1969-70 budget with the close of the fiscal year more than half gone.

Without additional revenues, the House Democrats have refused to pass any appropriations, including the allocations for the University. The Republicans have refused to support the Democratic revenue bills while trying to get educational appropriations out of committee and on to the floor for a vote.

In a letter to legislative leaders last week, the University Board of Trustees reported that

"the University is rapidly approaching the limit of its borrowing capabilities." The Trustees warned, "Anything less than the full appropriation of our budget request for fiscal 1969-70 would seriously jeopardize the University's financial condition."

Presidents of the four institutions have indicated that the budget crises has already affected their schools unfavorably. Continued failure to grant the funds may force the universities to close their doors or increase tuition.

Holderman Named Commonwealth VP

University Park, Pa., Feb. — Kenneth L. Holderman, who has headed the Commonwealth Campus System of The Pennsylvania State University for the past eleven years and has been director of Commonwealth Campuses since 1964, has been named vice-president for Commonwealth Campuses.

His designation as vice-president, effective Feb. 13, was announced today by Dr. Eric A. Walker, president of the University, following approval at the Friday meeting of the Board of Trustees.

In announcing the Trustee action, Dr. Walker noted that it recognizes the growing responsibilities of the position as the Commonwealth Campus System has grown over the past decade.

Today enrollment of full-time credit students on the branch campuses totals 11,212 as compared to 3,499 in 1959, when Mr. Holderman was named coordinator of the Commonwealth Campus System, and the number of campuses has increased from 14 to 19.

with the political system that says the power is to be concentrated in the hands of the people," pointed out Phillips. He continued by saying that the only way to combat this system is for the white masses to realize that they are being exploited as well as the blacks. When this occurs, then there should be a natural coalition.

He again stressed the need to treat the causes not the systems, as he closed his program. A question and answer period allowed him to elaborate on certain of his ideas, but brought out no new ideas. A coffee hour followed the lecture, and individuals were able

B. J. Thomas will perform in Erie Hall on Sunday, March 8. Tickets are on sale now at the Union Desk at \$3.00, \$3.50, \$4.00, and \$5.00. Details next week.

Arts Fund Drive Underway In Area

Erie, Pa. . . . The 1969-70 United Arts Fund Drive officially kicked off at 8:00 p. m. at the Shrine Mosque on Tuesday, February 10, 1970 with solicitation of funds, continuing through February 24th. Several hundred volunteer workers and their spouses gathered at the Mosque to pick up their United Arts Fund materials and begin their two-week solicitation for contributions throughout various segments of the community. Entertainment at the kick-off was provided by the Junior Philharmonic Orchestra of Erie.

The Arts Fund theme this year to "Let The Sun Shine" is indicative of the purpose of the drive . . . to brighten the future of our youth and the young at heart through educational uses of the to discuss ideas directly with the Rev. Phillips.

The polished speaker was impressive and struck very deeply with his droll, quiet logic, and his tongue in cheek cliches. The crowd consisted of an equal distribution of Behrendites and persons from Erie and other local colleges.

arts in Erie County. A \$100,000 goal has been set for use by the members of the Arts Council of Erie County in providing educational cultural performances throughout the coming year. Currently, participating members of the Arts Council of Erie County include the Erie Art Center, the Erie Civic Ballet Co., the Erie Civic Theater, the Erie Philharmonic, and the Erie Civic Music Association.

These groups, besides providing regular year-round performances in the Erie community, are quite active in Erie city and county school systems, scheduling a panorama of events . . . from workshops and student performances . . . to full scale youth-oriented productions, and maintaining organizations and scholarships to develop any promising young talent.
