Behrend Machine Plans Bounce-back

"You just can't win ball games shooting 31 per cent and 33 per cent. Make no mistake about it, we played two of the finest teams in the commonwealth. We just had a couple of frustrating games, that's all." This was the comment of Coach Malkin after the weekend losses which dropped Behrend's record to 4-7.

Last Friday Behrend played New Kensington, a team which has everything; speed, rebounding and excellent outside shooting. It was the duo of Jim Cousar (29 points) and Frank Flowers (24 points), that led New Kensington to a 91-63 win. Gary Boroway led Behrend with 21 points and 11 rebounds. Also hitting double figures were Ike Burnett (12 points) and Glenn McKinney (13 points).

On Saturday it was more of the same as Fayette placed four men in double figures and won easily 90-64. Arnie Belt led Fayette with 25 points, receiving scoring support from teammates Ray Hearn (20 points), Gary Harrison (16 points), Mr. Consistency, once again led Behrend with 21 points and 13 rebounds. After watching the games, however, it is evident that Boroway can't do it all by himself. He needs more support under the boards to take a little of the pressure off of him. Glenn McKinney (13 points) and Ike Burnett (11 points) also hit twin-figures for Behrend.

An important cog was missing in the Behrend machine as Bob

Hoffman had to sit out because of a knee injury. Hoffman, who can handle the ball as well as anyone in the area, will return to the line this weekend.

Coach Malkin, looking ahead to the rest of the year, had this to say, "I am confident that we will still win our section, and will be able to go down state for the

tournament. I am also looking forward to a rematch with either Fayette or New Kensington."

Behrend hopes to bounce back this weekend as the team tangles with DuBois campus on Friday, and then will face Beaver campus the following day. Both games are away. The Behrend "five" returns to Erie Hall on Wednesday to battle Shenango.

Grapplers Plan To Roll DuBois

The Behrend grapplers rolled to their first win in dual matches last Friday night by crushing the New Kensington campus 36-10. The Cubs are now 1-2 in dual matches and will spend this weekend on the road when they travel to DuBois and Pittsburgh. DuBois, whom Behrend soundly defeated last season, will provide the opposition tomorrow night. On Saturday afternoon, the Cubs will venture to Pittsburgh, where they will tangle with the Boyce campus of Allegheny Community College, one of the top junior college wrestling teams in the country.

pinned with 1:40 gone in the first period and the 134 lb. Fessler put the clamp on in 1:10. New Ken won the next two matches in the 142 lb. and 150 lb. classes with pins by Deshoureis and Sproruls over Engerski and Schoffetall. It was all Behrend from there out. In the 158 lb. match Jazcenski pinned with 1:12 gone in the first period and Garson won by decision 20-3, in the 167 lb. division. At 177 lb. Trusils won by forfeit while Stoscewski was pulling off a shutout 14-0 at 190 lb. Rick Erickson then stepped up to the heavyweight class and pinned with 1:50 gone in the second period.

In last Friday's match against New Ken Behrend reeled off three quick pins by the "Three Musketeers"; Hedges, Proctor and Fessler, to grab a quick 15-0 lead. Hedges wrestling in the 118 lb. class, pinned at 1:20 in the third period; Proctor at 126 lb.,

Captain John Fessler had nothing but confidence when asked about the upcoming DuBois match. "We're confident going into Friday's matching against DuBois. They'll be up for us and they're stronger than last year, but we'll still beat them."

Mark Hedges, 118 lb. starts Behrend-off with a pin in the New Kensington match.

SPORTS CORNER

Headlines in the "Sporting News", "Super Bowl 5 - Great, if you like volleyball." Notre Dame and Austin Carr certainly came through with the big one against the Bruins of UCLA. Carr drove the lane at will, while Callis Jones was holding Sidney Wicks to 5 points. The Bruins still remain the class team of college basketball though. Muhammed Ali and Joe Frazier figure on clearing \$800,000 apiece from their \$2.5 million paychecks, after taxes, salaries and expenses are taken out. ABC's Wide World of Sports has turned

down the delayed rights to the big fight because of a two-week delay requirement and a \$250,000 price tag. I'm still wondering why many sportswriters feel Artis Gilmore of Jacksonville will be the first pick in the NBA draft. I can think of four or five collegiate roundballers I'd rather have. How about the sophomore sensation from 'Ole Miss', the country's leading scorer with a 45-point per game average. Adolph Rupp says, "he has a little bit of Maravich, Alcindor's moves, the playmaking of Jerry West and the scoring of Oscar Robertson." Must be quite a ballplayer. The NHL is planning to expand again in another two years, in what could prove to be a big mistake. The talent is beginning to thin out now and expansion would dilute it to a sad state.

There will be an important meeting of all varsity athletes Tuesday, February 2, during the common hour, 4th period. The meeting will be held in the health room of Erie Hall. Those students who plan on trying out for one of the spring sports are also asked to attend.

Intramural volleyball competition will begin Tuesday, February 16. Rosters are due by Friday, February 12, in Erie Hall. Rules can be obtained at the Rub desk.
