Behrend Roundballers Face Must Situation

By Dave Ruef
CUB Sportswriter

Because of the Tuesday deadline, this reporter could not cover the big game between Behrend and Beaver. The game coverage will be in next week's issue.

With the end of the basketball season drawing near, the Behrend roundballers face a must situation. They must defeat Beaver Campus to tie Shenango for the section title. If they lose, they are automatically out of reach for the section crown.

Last week Behrend's record slipped to 8-10, dropping 2 out of 3 decisions.

Playing on your home-court is definitely an advantage. This was proved last week as Shenango Campus, a team which Behrend defeated 81-66 at Erie Hall earlier in the season, defeated Behrend on Shenango's home-boards 74-72 in a

squeaker. Down by 7 at half-time, Behrend fought back, only to have a 12-foot jumper at the buzzer defeat them. Ike Burnell, who has been showing more self-confidence, led Behrend with 20 markers. Glenn McKinney (14 points), Gary Borowy (12 points), and Ron Kwasneski (11 points) also hit double figures. Burich led all scorers as the Shenango ace popped in 22 points.

On Friday, Behrend defeated New Castle Business College 93-89. For the first time this season the Cub "Five" placed six men in twin figures: Ike Burnell (22), Glenn McKinney (16), Gary Borowy (16), Dan Porath (14), Chuck Donnell (13) and Ron Kwasneski (12). Behrend had its problems, however, in trying to stop the duo of Parker and

Hinkson who combined for 53 points. But the strong team effort of Behrend carried them to a 4-point decision.

Cuyahoga Community College, perhaps the best team Behrend has faced thus far, broke open the second half and easily defeated Behrend 103-60. The slow-down tactics of Coach Malkin were effective in the first half as Cuyahoga was only up by 38-31. But Cuyahoga controlled the second half and Behrend just fell apart. Cuyahoga's McNeal was the games top scorer with 31 points. Ike Burnell (19), and Gary Borowy (13) paced Behrend's attack.

This Friday the Cubs close out their regular season as they face the Edinboro "Frosh" at Edinboro.

CUBS Defeat Cuyachoga-Met

A 25-19 victory over Cuyahoga-Met last Saturday, gave Ed Onorato's wrestlers their second victory in seven dual matches. Tonight the Cubs will wrestle a tough Clarion JV team, in Erie Hall, at 7:30 p.m. The match was rescheduled from last Tuesday night.

Behrend jumped to a quick 10-0 lead against Cuyahoga-Met with two forfeits in the 118 lb. and 126 lb. weight classes. Cuyahoga took the following three matches before Paul Jozenski came

through with a second period pin for Behrend. Bob Anger and Eli Whitten then grabbed the next two matches for the visitors before Behrend sealed the victory with Gene Bihler winning by default and Rick Erickson by forfeit.

Girls Team Defeated

by Dave Ruef

The Mercyhurst College Girls basketball team, given a full page write-up in the Erie Press, fell to hard times last week at the hands of Behrend 41-33.

Julie Soriero once again led the girls with 17 markers. She received support from the team's top rebounder Janice Koester (8 points), Lucy Sweetly (7 points), Jean Bovard (5 points), and Diane Rossman (4 points).

Mercyhurst's Marlene Smith, averaging over 20 points a game, was held to just 10 points, by Mrs. Laudensack's "special" defense.

This reporter confronted Mrs. Laudensack about the upcoming games. "We have two big home games coming up, and I hope the students will support us. On February 26, we have a rematch against the fired-up Gannon girls, and on March 1 we play Mercyhurst again. Both games should be exciting."

Behrend, undefeated in league action, tangles with Villa College on Villa's home court on Thursday night.

the other Lion teams are improving their records.

Coach Gene Wettson's gymnasts are 5-0 and lead the Eastern Intercollegiate Gymnastics League. The Lions defeated second place Massachusetts last week to solidify their hold on the top spot.

The Lion wrestlers take an 8-0 record into Saturday's dual meet at Navy. Coach Bill Koll's team pasted Syracuse, 35-5, last week in a tune-up for the meet the Lion coach calls "the biggest dual meet in the East this year."

Penn State's basketball team shows signs of joining the victory circle. Coach John Bach's young team had won four of its last five games and takes a 7-8 record into Wednesday's game against

Temple in Philadelphia.

The fencing team has won four meets in a row after starting the season with two losses.

The Lion swimming and indoor track teams both won last week. Coach Lou MacNeill's swimmers posted a lopsided 98-14 victory over Buffalo for a 2-4 record. The indoor track team defeated Navy and lost to Manhattan in a triangular meet to make its season record 1-2.

The Lion winter teams now have a combined record of 27 wins and 16 losses, giving Penn State an overall athletic record of 49-24 for the 1970-71 academic year. The fall squads have a combined mark of 22 wins and eight losses.

SPORTS CORNER

Good to see Arnold Palmer charging again. It's been too long between wins for Arnie, even though, he has been in the top ten in a good percentage of the tournaments he's entered... Surprise roundball team in the East is the Fordham Rams. The New York squad is rolling along

with a 17-1 record. The Rams offer an exciting game of fast breaks and a devastating press to offset their lack of size. The starting line-up averages 6'2". Fordham already has the Kodak Classic championship under their belts and now look forward to the National Invitational Tournament (NIT) with gleam in their eyes... Doug Zimmerman, former Behrend athlete, continues to hammer away at Slippery Rock opponents. Doug hit 40 points last week against Geneva College and the next game out he pumped in 26 points while hauling down 17 rebounds... There is talk in New York of the baseball Yankees and football Giants sharing Shea Stadium with the Mets and Jets. Yankee Stadium is deteriorating by the day and city officials would love to see four professional teams in a single ball park on which the city collects rent. A new stadium is financially out of the question and past history has shown that more than one professional team in the same stadium is a big mistake. There has been talk of moving the team, but I can't foresee the Yankees ever leaving New York. Somebody has a big problem!
