

# A Message For Sophomores

## You May Leave—But We Believe in Behrend.

### ...Because

1. You can design your own flexible Academic Program under General Arts and Science or General Science Majors including Area Study Programs.
2. 25 new 400 level courses in Biology, Education, English, History, Mathematics, Chemistry, Physics, Sociology, Psychology, etc. .
3. Growing Faculty--Assoc. Prof. of Speech, Asst. Prof. of American History, Asst. Prof. of Physics, Asst. Prof. of Political Science, Asst. Prof. of Economics, Asst. Prof. of American Studies and more to come!
4. Improved Academic Advising to stress planning rather than record keeping.
5. Closer Student-faculty relationships.
6. Opportunity for students involvement in Academic development and cultural programs.
7. Beautiful Campus.
8. Those familiar, friendly faces in the Administration.
