

# SGA Elections To Be Held; Candidates Present Views

## Ken Mushrush

Many have asked me why I am running for president. This question has made me completely redesign my ideas on Behrend Campus and its populace. At first, I thought I wanted to end the apathy of this community and have a progressive student body. But then, is the problem an apathetic student body or student government, which is remaining within their high school state and have not made the complete transition from their former institute to the college level.

Although many candidates may speak of caring for the students or of previous experiences with student government and other organizations, I do not feel that this has relevancy to the issue of whether or not they will be efficient and effective student leaders.

I feel I can fulfill anything that I may commit myself to. I further feel that I can establish good rapport with students and the administration.

If I am elected, my goals will be to change the student government from its high school status to a college level. A

student-faculty relations board will be set up, and will be used to intervene between student-faculty conflicts and conduct a faculty evaluation survey. The visitation policy will be pushed. A student-administration relations will also be put into effect and will be run in the same manner as the Student-Faculty Relations committee.

I do care about the students and Behrend Campus in general, but as I said before, it means nothing as far as my student leadership ability is concerned. I do feel, however, I do have the ability and I'll use every bit of it.

## Al Quinlan

As you may know I have been a representative in SGA for the past year. Now I have decided to run for SGA president in the hope of helping bring about needed progress at Behrend. My basic idea to bring about this progress is that the student body stand behind the SGA and must express itself on campus issues. Without student support the SGA can get little done. There are five areas in which I hope to work next year.

First of all, visitation is one field which we must improve. I don't know exactly, how to improve visitation, but I think that we must work at it, as a unified student.

Secondly, I feel that we should try to form a student coalition with Gannon, Villa Maria, and Mercyhurst Colleges. This coalition would serve educational and social issues.

Thirdly, we should try to improve our meal ticket situation. Presently a student buys a meal ticket and pays for three meals a day, yet rarely eats three meals a day. In order to improve this, we can attempt to have separate meal tickets, for each meal for sale.

Fourth, the S.G.A. should act as a watchdog on departments such as security and business. We should keep tabs on what security does and how they do it. We should watch the business department and check how they spend the money they get from the students and Penn State.

Finally, we should help push

Behrend toward becoming a four year school. We should work with the faculty on this in order to get good ideas to present to the administration.

These are my ideas for improving Behrend, and I don't guarantee that they will work. I feel that we will need total student support for SGA to achieve these goals.

## Linda Juliano

My reason for running for the office of the presidency of SGA, first of all, is my experience in the functions of SGA. I have now been in SGA 2 years and have been secretary both years. But other than my past experience I look to the future. My main purpose in running for this office is to be a leader in "communication". For the past year it seems everyone was crying "communication", but none was established. I would very much like to be the leader of the students to voice their opinions (loudly), and also help them to listen, too for "communication" involves both processes. I also hope I can show the faculty and especially the administration that we, the students, have to be heard and listened to. That is my goal if you'll elect me president. I'll do my very best for the well-being of the students and the betterment of the Behrend Campus.

# Pre-Register for Fall Week of May 10-14

All undergraduate students returning to Behrend for next Fall Term should pre-register with their advisors sometime during the week of May 10-14. Although an actual timetable will not be available, students will be able to select the courses which they would like to enroll in for the Fall Term.

Those students planning to attend the University Park Campus next Fall Term should make out number 2 cards with their advisors during the same week provided they have not done so already. All advisors should have the University Park timetable for Fall Term in order to assist students in planning their curriculum.

In addition, all students interested in attending the Summer term at the Behrend Campus should make out

number 2 cards with their advisors during the same week. The Summer timetable will be posted in various places on the campus for students interested. All advisors will also have a copy.

Mr. Goetz has announced that he hopes to have a mailing of cards to be filled out, the student's final schedule and the procedures for activating or amending this schedule at the Registration procedures. This mailing should take place sometime during the Summer months to the student's home address.

# SUB Movie Presented

"My Little Chickadee", starring W.C. Fields and Mae West is the movie being presented by the Student union board this week. A train ride through the wild west is the scene of the unforgettable meeting between Miss Flower Bell Lee and Cuthbert J. Twillies. Cuthbert proposes marriage, and Flower believing him to be rich, agrees. But she soon falls for the owner of the Last Gasp Saloon leaving Cuthbert thwarted in his attempts to gain admittance to his bride's boudoir.

"My Little Chickadee" will be shown on May 9 at 7 and 8:45 p.m. in the Reed Lecture Hall. Admission is \$1. or \$.50 with Activity Card.
