SO LONG IT'S BEEN GOOD TO KNOW YA

This being the last edition of the Collegian of the '54 Fall semester,  
we say "so-long" to all who are leaving our wonderful campus for the main  
campus, different colleges, or just leaving. We hope you'll pack among  
your valuables, the memories of "good ole Highacres" - the Halloween and  
Christmas parties, the dancing classes and semis, the pinochle games, the  
hike up the hill, the exams, the basketball games and those "caaraazee  
gab sessions".
