THE BALL - A SUCCESS

Last Saturday night, one of the bigger events of the social season of the Center took place at Genetti's Pennsylvania Room. Around 75 couples came out to dance to the music of Os Werley's orchestra and enjoy the events of the Military Ball. With a grand march, queen crowning, and various presentations, the program for the evening went by rapidly. The Cadets were honored with the presence of many members of the faculty, who came to enjoy the affair with them, and the only complaint of anyone was to the fact that the Ball had to end. The Ball Committee and the decorating committee put in much time and effort in planning and preparing for the event and Capt. Carper has expressed his thanks to these committees for their efforts.
