BASKETBALL SEASON CANCELLED

Lack of student interest and participation has resulted in the cancellation of the remainder of the season's basketball games. With the Penn State Hucsters occupying a hard won first place in the Junior College League, Mr. Peightal was forced to announce the withdrawal of Coach Mullegan's team from the conference. Mr. Peightal cited the lack of players as the main reason for this move.

At present there are only five students on the basketball squad. If one player should be forced to leave any game on fouls, the game would be lost. A last minute appeal to the student body for support received no response.

For the great work which they have done this season, congratulations are in order to the remaining squad and their coach. Mr. Peightal and his assistants also deserve credit for the work they did during the first semester.
