

(Chippy Cont'd)

Otto Donar is registering a formal complaint to those girls who wear knee socks. He says "Please ladies, let's have less sock and more ankle." (Thank you Christian Dior.)

At 3:10 pm on Thursday, Bob Yori and Playboy Bradley turned Elaine into a goldfish. The pond looked lovely with Elaine's toe in it.

I've seen nests in trees, but never brief cases - until Wednesday. What's the deal?

No more for this time. See you
