
 (Our Workshop Continued)

The secretary who collects the most money for the Center, that is - is Betty, who is our accurate bookkeeper and has charge over college business and finances, including tuition. In assisting Mr. Zerbe with bookstore supplies, Betty does a majority of the ordering and selling of books, slide rules, drawing boards, paper, pencils, and many other items too numerous to mention. All traffic violators are happy to pay their fines because Betty collects them.

The exams that we take and the current records and directories that we read are typed and mimeographed or dittoed by Ruthie. She, as Betty, performs her duties in the bookstore. Ruthie, as the PBX operator, receives all telephone calls to our Center and connects outside calls to the particular exchanges. She takes care of all grades, student records and other current information besides being secretary to our District Representative, Ralph Noble.

Three capable, lively secretaries with full-sized jobs that keep them busy all day - that's our Sylvia, Betty, and Ruthie.
