FIELD DAY ON WEDNESDAY

This year, the House Rules Committee is inaugurating a combination picnic - field day which will be held on Wednesday afternoon from 3:00 pm until 7:00 pm. Bar B-Q, hotdogs, a fifth of birch beer, chips and all the other goodies that go with a picnic will be on hand for all students and faculty. Baseball, basketball, football, quoits, volleyball and other sports equipment will be available to make the day complete. Everything will be free to eat and use, so make plans to attend. This affair will be similar to our orientation week picnic.

If you are unfortunate enough to have class until five o'clock on Wednesday, don't despair because the games, food, and drinks will still be there.

JUST IN FROM MAIN CAMPUS

After much debate and discussion, the Daily Collegian - the main campus newspaper, not to be confused with our weekly newspaper - announced that Saturday morning classes are here to stay. Basing its conclusion on an article by A. O. Morse, University Provost, the Collegian stated that Saturday classes would be common on the main campus for a long time. A temporary elimination of most of the Saturday classes between 1952 and 1954 increased the number of Friday cuts and lessened greatly the weekend studying by students.

NOTE ON 12 WEEK GRADES

The twelve week period is up on the 7th and warning and failing grades will be available at your advisor's office early next week. So don't be afraid to drop in and see your advisor. You will find that he is willing to help you with any of your problems concerning school.
