

HIGHACRES PROGRESSIVES

Platform and candidates of the Progressive Party of Highacres Center.

More and better parties, dances, movies and entertainment in general.

Review and possible solution of the parking and traffic situation at Highacres.

To act as an information center and advisor to the student body on all problems that may arise. Support of a championship basketball team and/or any sport that the student body may be interested in entering.

Support of all clubs and school activities.

In general, to have a working government and not a "do-nothing Council."

The candidates are:

- Russ Brungard - President
- Ray Adams - Vice President
- Steve Tomko - Secretary-Treasurer
- George Aton - Council Members
- Theresa Bobowski
- Dale Walker
- John Marsicano

Sophomores vote straight Progressive for the changes you want.

THE ALL COLLEGIAN PARTY

The stand for positive government.

We stand for giving each student a complete \$7.50 return in activities for his original investment - and then some more if it can be managed.

We stand for more than two dances a semester - as we had last year.

We stand for actively co-operating with club advisors and faculty members to expand and improve our extra curricular program. This means checking with all club needs before each meeting rather than learning second hand of these needs after a meeting.

We stand for Student Council government that is open and public, efficient and active, fair and equal.

We stand in positive terms for solution of the parking problem, action on the Student Union Building and a more active social program.

We will scrupulously remain on our guard to see that no social event is planned for a date during which some curriculum has a heavy assignment. We can promise this because every branch of students, from engineering to liberal arts, from the technical students to the business students has a representative on our balanced slate.
