AFROTC NEWS

The Highacres AFROTC unit, under the direction of Captain W. E. Carper, is in high-gear as it begins operations for the new academic year. Uniforms have been handed out, flights have been organized, and cadet officers for the year have been selected. Also, plans for cadet activities such as Drill Team, Rifle Team, and Military Ball have been formulated.

The Drill Team, which consists of 20 men, is the "elite" of the corps, and will participate in the Mummer's Parade and the Armed-Forces Day Parade. The first Drill Team meeting will be held on October 4 at 0800 in front of the main building. Any interested cadet may take part in the tryouts which are held on a strictly competitive basis. James Ditzler is the commanding officer of the Drill-Team.

The Rifle Team is comprised of 12 to 16 men, and is concerned with fine handling of rifles and expert marksmanship. Several meets will be held with other Rifle Teams throughout the year. Tryouts for the Rifle Team will probably be held sometime during the week of October 3.
