Elections (cont'd)

The election of freshman representatives resulted in a tie with both men being given a seat on Council, but with the right of only 1/2 a vote each.

It has been reported that both men will continue to attend Council meetings until Council and the election board recommend specific action as to the future status of these two members.

AFROTC NEWS

The Highschool AFROTC drill team is now underway with three tryout meetings behind them. New members will be officially announced shortly.

Captain Carper has asked that all cadets consult the bulletin board in South Hall daily. Bulletins concerning the Rifle Team, Drill Team, and other things of importance will be posted there. Remember, this is the only way you can keep up-to-date on ROTC developments.

Last Monday was the first day that demerits were given out. Demerits are given for such things as; slovenly or improper wearing of the uniform, failure to show courtesy to superiors, and, in general, failure to adhere to AFROTC standards, rules, and regulations. Demerits can adversely affect your grade--keep them to a minimum! Many demerits are given for poorly polished shoes and off-center insignias. These seemingly small things should never be overlooked.

Merits are also given to cadets who actively participate in the various fields of ROTC activities.
