PENNSYLVANIA STATE SENATE APPROVES \$452,000,000 appropriation for schools.

Includes plan for \$300.00
Teacher Raise at \$150.00
a year for next two years.

On Wednesday, October 12, the State Senate approved a \$452,000,000 appropriation for Pennsylvania schools. The money is earmarked for state school subsidies, which in some cases are long overdue, the other schools will receive their appropriations in October and November. The amount is \$31,000,000.00 over the amount given in the past.

The recorded vote was 49-0; although many Senators abstained from voting. The Appropriation now goes back to the House for concurrence. Two Democrats, Harry E. Seyler (York) and Jo Hays (Centre), were the Senators responsible for Senate approval.

The politically sensitive issue of teachers salaries had been shunted to the background for most of the 1955 legislation because of the tax impasse.

FOOTBALL GAME

A football game trip has been approved by the Student Council. This trip will be to the Penn State-Syracuse football game on Saturday, November 5. Student Council announced that it will finance the transportation to and from the game, but the students will have to buy the tickets and anything else. The tickets will be \$2.50.
