The difference in these grades is due to the fact that our grading system is now based on the numbers from zero to four, while the old system was from a minus two to a plus three.

NAVAL RESERVE MEMBERS
MAY REMAIN ACTIVE

Naval Reserve members who are planning to transfer to the main campus in the near future can now continue their active duty with the reserve. It has been reported from the campus that a transportation pool has been established from the campus to the Reserve Training Center in Altoona.

Further information of this transportation pool is not available at the present time. However, any information pertaining to this matter will be made available to interested students at a future date.

ENGLISH WORKSHOP

Mr. Andrew Kafka, head of the English Department, wishes to announce that he and Mr. Wilcox are sponsoring the ENGLISH WORKSHOP which is now functioning at Highacres.

What is the English Workshop? It is a student service which offers help to any of our students in various aspects of English, particularly: how to write better, how to read better, how to speak better and how to listen better.

The student does not necessarily have to be enrolled in an English course at present in order to avail himself of this aid. Any faculty member may recommend any student.

The English Workshop will meet Tuesdays (7th period), Wednesdays (6th period), Thursdays (7th period) or by special appointment. All meetings are held in Room S-103.

HAYRIDE PLANNED

Last year, about this time, the members of the Theta Sigma Pi sorority and their guests enjoyed a hayride and wienie roast at Rumbel's Park. Because of the success of the affair, the officers of the sorority are making plans to hold a similar affair. The tentative date for the hayride has been set as Saturday, October 29th. At the time of this writing, the destination has not been announced.
