TRAFFIC RULES (con't)

6. A fine of \$1.00 will be imposed for the first violation of any of the above rules. A fine of \$2.00 will be imposed for the second violation. Upon the third violation, students will be fined \$3.00 and will be referred to the Committee on Student Discipline.

All violators will be prosecuted without exception.

CONGRATULATIONS!

The House Rules Committee, Student Council, and the Collegian staff wish to thank Anthony Cassano, Joseph Cassarella and Frank

Freudento, all first semester sophomores for the work they did in the "Reck" Hall, fixing the radio and the television sets. These students, on their own, asked Mrs. Kostenbauder if they could ground the radio which previously had been playing very badly. Not only did they fix the radio set, but later, upon learning that someone had pulled the antenna wire out of the television set, volunteered to work on that also. We can thank these three people that the House Rules Committee did not have to pay a costly repair bill. Students like these are what we need at this college. Once again, we extend our sincerest thanks.

The House Rules Committee would like to ask the remainder of the student body to be a little more careful of school property. Many students enjoyed the World Series on the television set. Shows like this are only possible if the property here is carefully used and not damaged. In the future please be careful of all the property belonging to the students through their student government ass'n.
