STUDENT COUNCIL MEETS

The weekly meeting of Student Council was called to order by President Larry Kowalski at 12:40, October 21 in room 208. The minutes of the last meeting were read by Thersa Bobowski and the floor was opened to old business.

The first report was given by John Marsicano on the coming football trip. Marsicano reported that 65 tickets were made available to us by the university, 50 of which have already been sold and the money accepted. After the campaign is over, any extra tickets will be given to members of the faculty and staff. Chaperones will be taken free of charge.

Thersa Bobowski then took the floor to report on the social committee. The Eagles and a band have been appropriated for the first semi-formal dance of the year, November 23. Bobowski said that the sorority had approached her in regards to holding a dance sometime in the second semester. This was approved with the provision that the sorority handle all the details of decorating and arranging etc.

Ben Tuchi, chairman of the sports committee, said that the Playhouse Bowling Alleys have been tentatively procured for the coming bowling competition. The price has not been definitely set. There will be trophies awarded to the winning team and to the highest scoring boy and girl. Also, the girls would like to set up an intra-mural basketball league. This will be discussed at a later date.

The traffic committee, headed by William Smith, has decided that if a fine is not paid within 24 hours, the fine will then be doubled. This was questioned by the council with no final decision made.

In the way of new business, the first

request discussed was that if a fine is not paid within 24 hours, the fine will then be doubled. This was questioned by the council. No final decision was made.

In the way of new business, the first request discussed was that from Miss Garbrick. It concerned refunding the money paid by the students for bus fare to see the opera "La Boheme." It was refused on the grounds that at the time of the trip, the present budget had not been approved and the amount left in last year's treasury was not enough to cover the expense.

James Chudy took the floor with a plea from the German Club. He wanted a grant of \$15-20 in order to buy German conversational records. This was also refused on the grounds that although it was a club, the material requested was of educational value and should be appropriated from the college. These records could not be used by all students except those in the German Club or in the German classes. The Student Council would like to make it clear that they can only grant money to activities that everyone can benefit from, not just a few.

A sum of money was given to Mary Tihansky to buy material for posters to advertise dances and other functions around the campus.

One other motion was carried and approved. The council then adjourned until next week at the same time.

The following budget was approved for the school year by the Student Council for the coming 1955-1956 school year:
