hay, and its passengers will leave Harman-Geist Stadium about 8:30 PM and go to Stoffa's Grove in Drums. There will be dancing and a wienie roast at the Park. So, girls, ask your favorite fellow and let's all go!

SORORITY

On Thursday night, Theta Sigma Pi sorority held a meeting in the main lounge. President Margaret Churilla presided over the meeting. Plans were completed for the coming hayride.

At the next sorority meeting which will be on November 3, films of last year's May Day program will be shown.

Other plans for the coming year include a sorority sponsored dance, having guest speakers at some of the meetings, the sorority dinners and the annual May Day program.

DANCE TIME

There will be another dance, sponsored by the youth of Hazleton, again this Wednesday evening, October 26, at the Y.W.C.A. Last week's dance had a very bad turnout and if support is not forthcoming, these informal dances will be discontinued.

The music will be provided by the Encores again this week. The time is the same, 9:15 to 11:30 PM and admission will be 50¢. All high school graduates are invited.

This is a new endeavor by the youth of our community and the support of everyone is necessary for the continuation of this project. It is the only informal dance offered by Hazleton, so please come out and we're sure a good time will be had by all. See you at the dance.

HOW GOOD IS HALF A CUP  
OF COFFEE?

Half a cup of coffee isn't very good, is it? Well, neither is half a physical any good. Although this year is the best in three years for cooperation with the Medical Department, there are still many people who haven't completed their physical exams. If you haven't had any of the following: eye exam, blood pressure count, Vollmer Patch test, or a urine analysis, stop into the dispensary at earliest convenience and help clean up the books. The time for the above four tests combined is not more than five minutes.

There are also six people who haven't as yet started their exam at all. Go in and get yourself checked over, it doesn't cost a cent and it gives that peace of mind associated with security.

TUCHI WINS RUN OFF ELECTION

Mr. Tuchi, who previously shared a council seat with John Probert, will now be entitled to a full vote on all Council motions.
