What did the clam say to the postman? Nothing, you fool, clams don't talk... It has been known that in the spring a young man's fancy turns to love, but will someone please tell me what it turns to in the fall.....

NOTICE TO ALL BOWLERS!! If anyone gets his fingers stuck in the ball, don't worry about it. The management has the necessary equipment for such an emergency---a scalpel and saw..... The management had also stated that anyone going down the alley with the bowl shouldn't worry. His pinboys are very obliging and they will roll you back.....Girls! Dale Walker would like to know why he can't be an honorary sorority sister.....Gentlemen! Before you enter the chess tournament, please check your guns and knives at the door.....Southern Economical Disaster! Pillsbury is no longer putting their flour into cloth, but paper sacks. Sorry, girls, no more fancy dresses.....Upon completion of the History book reports it was noted that James Chudy failed to put his name on his paper. When Mr. Longo, the proctor, asked Chudy the reason why, Chudy replied, "I didn't see any instructions telling me to do so.".... Who was the wise guy that slipped a picture of Marilyn Monroe under one of the microscopes during the recent Zoology laboratory tests..... Some students think it is very necessary to "crook" another man's lunch. It is too bad that ADULTS don't share the same opinion....We'd have less flu going around if house flies only knew that human beings carry germs..... "A penny for your thoughts" becomes more and more important. What else can you buy with that amount?..... A true gossip probably feels let down when the low-down she gets on other people is high praise..... FE FI FO FUM, One more week the VA checks will come.....A new book, THE CRUMBS ON THE TABLE by Whois Sloppy... The happier couples are the ones that overlook little things. It's a good thing love is blind.....Gud buy..
