

TRAFFIC COMMITTEE

It was announced by William Sukenik, chairman of the Traffic Committee, that ~~that~~ twenty-two dollars was collected as traffic fines this semester but a few fines haven't been paid. These fines should be paid at the bookstore. The money collected becomes a part of the student activity fund.

The Traffic Committee warns the student body that a ticket will be given to anyone who, in parking, takes up more than one car space. (This includes diagonal parking.) The traffic regulations state: cars on the student parking lot must first use all of the parking places around the perimeter of the lot, each car parking at right angles to the edge of the lot, and this regulation will be strictly enforced.
