1956 MILITARY BALL

The members of the 1955-56 Military Ball Committee, headed by Joseph Dougherty, are to be congratulated on their fine work which was climaxed on the night of January 7 at Genetti's Penna. Room. The Military Ball met with real success as indicated by the fine turnout of Cadets and the many favorable comments heard afterward.

Scotty Parson's Orchestra provided the dance music for the affair, and the intermission entertainment was, for the most part, handled by the cadets themselves. The entertainment consisted of:

'The Rockettes', a group of 'chorus girls' who danced an American version of the Can-Can, a cadet quartet which rendered a selection entitled 'She's got a pair of B.V.D.'s'. Also, Mr. John Frobert Sr., of Genetti's Tyrolean Room sang two solos. The piano accompaniment was by Freddie Houser, also of Genetti's Tyrolean Room.

The highlight of the evening was the crowning of the "Queen of the Ball". From the three finalists, Carol Mastroianni, Nancy Prysbeck, and Margaret Ann Palatcbach, Miss Prysbeck was crowned by Hillel Sukenik.

All-in-all, the affair was a great success and certainly all who attended had a great time.

PENN STATE BLUE BAND CONCERT HERE

The Pennsylvania State University Blue Band will give a concert on March 19, at 8:00pm in the Hazleton High School Auditorium. The concert is being sponsored by the Pennsylvania State University Center Auxiliary and the Pennsylvania State Alumni. It was endorsed, with no financial obligation, by the Student Council, the Sorority, the R.O.T.C. and the Veterans Club. The admission fee is \$1.00. There will be an elementary concert at 2:00pm for the children of Hazleton. Tickets may be obtained from any of the ticket committee. The members of the committee are posted on the bulletin board.

Any student interested in entertaining members of the band to dinner, contact Mrs. Kostenbauder immediately since over 75 per cent of the band has already been taken care of. This will help those students, who are going to the campus to become acquainted with some of the students from the main campus.
