"KIND HEARTS AND CORONETS"

The College Arts Society presents a film entitled 'Kind Hearts and Coronets' on Monday evening, March 5, at 8:00 pm in the main lounge at Highacres. The Society extends an invitation to the students and faculty of Highacres, and to the members of the community to attend. There will be no admission charge.

'Kind Hearts and Coronets' is a comedy based on a murder plot, as ironical as it may seem. The young hero tries to come into a fortune by inheritance through the process of elimination. Then the fun and comedy begins. The lead role is played by Dennis Price. The romantic interest of the story is supplied by Joan Greenwood and Mallory Hobson. Alec Guinness plays the supporting role. The movie should prove to be an evening of entertainment to all who attend.

CHESS TOURNAMENT TO OPEN

This is your invitation to join the chess tournament which will begin March 1. All students who are interested can sign up in the Rec Hall.

Last semester's tournament was a success because of the interest shown by the students. This one will be just as much fun, if not more, if enough students take part.

BLUE BAND CONCERT

The Penn State Blue Band, an organization from the Main Campus, will give a concert at the Hazleton Senior High School on Monday, March 19, at 8:00 pm. The proceeds will go to the Hazleton Center Student Union Building Fund.

Mrs. Kostenbauder, along with the other members of the Women's auxiliary, has worked hard to make this concert a success.

All students should be looking forward to attending this performance as it will prove to be an enjoyable evening.

Tickets can be obtained from any member of the ticket committee. General admission \$1.00, for students, \$2.50 for patron tickets.

CONGRATULATIONS

On February 11, 1956, in St. Joseph's Church, Hazleton, Miss Dorothy Stanton of West Hazleton, and Leonard Velky of Harwood Mines, became man and wife.

The bride attended West Hazleton High School and is presently employed at Knetteis, Hazleton.

The groom attended Hazlet Township High School and is at present enrolled as a second-semester D-Tech student at Highacres.
