CHORUS PLANS SPRING CONCERT

The Highacres College Community Chorus under the direction of Miss Pearl Garbrick, Assistant Professor of Music, has planned and made preparations to hold a Spring Concert sometime in May. No definite date has been set. Rehearsals are being held on Tuesday evenings as well as individual and sectional rehearsals of students during free periods at school.

The program will be an oratorio entitled 'St. Paul' by Mendelssohn. Thirty-seven members, including 16 students and 21 members from surrounding communities will participate. The chorus is made up of 11 sopranos, 15 altos, 5 tenors, and 5 bass. The student soloists are as follows: Alto-Linda Wolfe; Tenor-Jack Avigliano, James Evens; Bass- Carl Bugalski, Calvin Deitch, and William Smith. Accompanist will be James Lidam.

Miss Garbrick commented on the success of the chorus during the spring rehearsals. Members have come in all kinds of weather from such points as Freeland, Weatherly, and Drums to take part. Because of the deep interest of the members the outlook for the concert seems to be one of unlimited success.

Miss Garbrick also stated that the chorus has been invited to hold a dress rehearsal with an audience in Freeland on the Sunday prior to the concert date.

MAY DAY SEMI SET FOR MAY 19th

Plans have been completed for the semi formal dance which will climax the coronation of Theresa Bobowski as May Queen on Saturday, May 19th. According to President Kowalski, the evening and semi will be the perfect finish to the afternoon coronation in the Highacres garden. The setting for the dance is the attractive Hotel Altamont ballroom. Scotty Parson's orchestra (remembered by everyone who attended the military ball) will provide the music.

For the benefit of new students, the dance is absolutely free to all Center students and their dates. It was also announced that it is a Center custom that flowers are not worn to any dances held by the Center.

The Student Council, the Social Committee, and the Sorority cordially invite the entire student body to the dance.

LAST ISSUE

Due to a heavy work load placed upon a few students within the past week and the increasing work load to come in the next few weeks of the semester, this will be the last issue of the Collegian for the school year 1955-56. I would like to express my deepest thanks to the members of this newspaper who have helped
