ELECTION RESULTS

The election is over and it was a close race all the way. At the final counting of the ballots on Friday afternoon, it was revealed that Frank Franduto went ahead of his opponent Anthony Mercantino, to win the office of President. At the same time, Richard Hildebrand and Mary Merker, running with no opposition, were unanimously elected to the offices of Vice-president and Secretary-Treasurer of the Sophomore Class.

On the Freshman ballot, Calvin Deitch came out on top for the office of President. Earl Ries was elected to the office of Vice-president, and Lyla Berish won the seat of Secretary-Treasurer of the Freshman Class.

Sophomores elected to represent the Class on the Student Council are Karl Rekas, Anthony Cassano, Robert Petruska and Carol Mastroianni.

Freshman members of the Student Council are: Barbara Ort, James Marnell and Joseph Balas.

To perhaps clear things up for our readers, the Collegian wishes to point out that the President of the Sophomore Class (Franduto), automatically becomes President of the Student Council. At the same time, the President of the Freshman Class becomes Vice-president of the Council, as provided for by the Constitution of the Student Council.

MESSAGE FROM MR. KOSTOS

I believe that the students, with the experience of the past two weeks of classes, have sensed a high degree of friendly spirit of helpfulness and cooperation that is so typical of the student body and staff here at the Hazleton Center. We all hope that this spirit will continue throughout the year and that you will not only take advantage of this opportunity to participate but also be a major part of it.

The entire staff here at the Center welcome you to the growing body of Center students. We all wish you a most pleasant and profitable year.

F. C. Kostos
Administrative Head

MESSAGE FROM MR. SCHNETDER

In offering best wishes to the new students and continued success to the second year class, I find something in common with the former group; namely, we are both new to the Penn State Center in Hazleton. I trust that your enthusiasm for the Center is on a par with mine.

You are to be congratulated on meeting the entrance requirements making you members of the student body at the Hazleton Center. As you know, entrance standards are on the increase in these days of higher university enrollment. (cont'd on page 2.)
