OFFICE NOTES

All students planning to take summer correspondence courses in order to obtain advance standing must see Mr. Schneider immediately, for permission for this work must be obtained from the Main Campus of The Pennsylvania State University.

Students should begin thinking in terms of what courses they will be taking during the Fall Semester or Summer Sessions at Highacres. Further information on this subject will be released by the main office soon.

The mid-semester grades are due at the main office by Monday, April 1st. Grade reports will be mailed to the students during the week of April 1-5.

The Highacres Spring-Clean-Up-Week has been scheduled for the 1st week in May. During this week, both the faculty and students will police the grounds of the campus to set everything in order for the Sorority presentation on May Day. Trash barrels have been placed at convenient locations in the student parking lot to aid in keeping the area free of trash.

In addition to the regular day session of The Pennsylvania State University held here at Highacres, a community service selection of courses is being offered in the evening. The purpose of these courses is to continue the recognition that Highacres has achieved as a community college, dedicated to educational service for the Hazleton Area.
