

## Cheers for Our Highacres Bowling Teams

The second half of the 1956-57 bowling season opened Feb. 17 with much enthusiasm and cooperation by the student body. Approximately sixty students are participating in the activity this semester.

During the three weeks that the second-half has been going on, the Fudge Factors, first-half champions captained by Andy Yuresko, have lost top placement in the league to the Pin Topplers whose captain is Ronald Oleksa.

Individual honors go to James Roup for his high average of 160. Jack Potash also deserves recognition for his high individual series score of 535. Edward Smith has high individual game (234) for the boys and Barbara Nardini has the highest score for the girls. (136)
