WHY DID YOU COME TO COLLEGE
continued

Although only a small percentage of the student body has been interviewed, it is evident that this question is answered differently by many students.

WHAT ABOUT SPUTNICK

(A Collegian Poll)
Bernard Goydish

A recent poll of our students and faculty revealed many interesting and intelligent opinions about Sputnik. We cannot print all the opinions, but these are a few of the outstanding ones.

- Carmen Lombardo....."I'll believe it when I see it."
Art Lingousky....."Man that moon is crazy."
S. Zayleskie....."It's too pooped to beep."
D. Zanolini....."It did beep."
T. Fetterman....."It sure ain't square."
Olga Markus....."I reserve my opinion."
L. Lithgow....."Who is Sputnik?"
Mrs. Ferry....."I think our's would be much better."
Fred Laurence....."Could be trouble."
R. Mulik....."Everyone should stop pushing panick buttons."
J. Potochney....."It's good for making whooppee."

Getting Even

First Villager: Hello, Paul; hear you've been married. What kind of a match did you make?
Second Villager: Well, neighbor, I didn't do so well as i expected, but to tell the truth, I don't think she did either.
