## MAY DAY TOPS HIGHACRES SOCIAL CALENDAR

The Theta Sigma Pi Sorority's list of festivities for May Day spotlights it as being the top Highacres Social Event of the spring semester. The entire day of May 11th will be devoted to this most colorful and festive occasion.

The afternoons activities will be centered on the crowning of the May Queen, Miss Jacqueline Kessel. The Queen's Court of Honor will include Jane Hunchar and Barbara Ort as First Attendants, Patricia Sacco and Dorothy Melly as Second Attendants, Martha Preputnik and Mary Merker as Scroll and Crown Bearers, Mary Scaran and Rosemary Arlotto as Key and Heart Bearers and Barbara Nardini as Maid of Honor.

This portion of the celebration is attended by the Highacres Faculty, Womens Auxiliary, Community Friends of the College etc., and offers the young women of the sorority an opportunity to display the training which the sorority provides in the gracious practice of the social amenities.

Climax to the Gala Day will be the Queen's Ball, held at the Eagles that evening. This semi-formal affair provides both the students and faculty with an opportunity to mingle socially in an air of festivity rather than scholastic activity.

The members of the sorority and student council social committee are expending all resources to insure all participants of a very pleasant evening. The no corsage rule will prevail at the dance.

This is the final social affair at Highacres prior to Convocation and will be the last opportunity for many members of the class to gather together socially. We of the Collegian Staff join with the Student Council and Theta Sigma Pi Sorority in urging all students to attend this affair and carry off with them a store of treasured memories for the future years.
