

HYGIENE BLUEBOOK

DIRECTIONS: The first five questions are of the completion type. The last one is an essay question. Do any thirteen. Use your own discretion here. Either pen or ink. Use your own discretion. Time allotment: use your own discretion.

1. What is the calorie content of a brussel sprout after five days in the sun, three weeks in pure mineral water, and four months under the open sewer? YES
2. Are you healthy? FIVE
3. Should you sleep at night with your windows open? I AM AN AMERICAN. I DO NOT BELIEVE IN THAT KIND OF THING.
4. What is the most dreaded disease in America today? CIGARETTE HANGOVER
5. What are the ~~thirteen preliminary~~ symptoms of St. Vitus Dance? I REFUSE TO ANSWER THIS QUESTION ON THE GROUNDS THAT MY ANSWER MIGHT TEND TO INCRIMINATE ME. THIS IS A STERLING EXAMPLE OF WALL STREET ROBBER BARONS DISTORTING THE OBJECTIVES OF THE PEOPLES GOVERNMENT OF AMERICA.
6. What is your purpose in taking this course?

Do not like course...I do not believe in healthy bodies. I am actually in electrical engineering. Have been in the wrong course all semester. Adviser got schedules mixed. My name is not Ludlow Slimehead. It is Alfred Slimehead. Would like to get back in electrical engineering. This is fine course. A real fine course. I like this course very much. It is the most interesting course I have ever had. Would like to get back in electrical engineering. My name is not Ludlow Slimehead. It is Alfred Slimehead. I do not believe in healthy bodies.

My dear Ludlow,  
 You are mentally ill. Obviously you have not studied the chapters on Mental Health and Hygiene or you would not be in your present condition. I am flunking you for a complete lack of interest in the course.
