

R.O.T.C. NEWS  
(cont.)

Cadet capt. David J. Saul, fencing instructor, has announced that every Friday 4th period, as the time set for the meetings.

The sophomore cadets will be seen in uniform only on Mondays until further notice. However, freshmen cadets will continue to wear their uniforms to every R.O.T.C. class until Leadership Lab is completed. From that time on they will receive instructions from Major Richardson as to when uniforms will be necessary.

Cadet Airm. 1st class T.J. Maxwell reports that all cadet Rifle Team tryouts have been completed and the 15 members of the team have been chosen. They are as follows:

- |                |              |

STUDENT COUNCIL MEETS ON BUDGET

Al Hinger  
The Student Council held a budget meeting on Tuesday, Oct. 21, 1958 and tried to set up a budget that would be satisfactory to all.

The budget is, at this time, by no means final, for it must still be approved by the Student Faculty Board.

Although discriminations were made against certain organizations, I think the students as a whole will find it hard to disagree with the decisions which the representatives have made, especially those of you who are always asking about dances.

Although not officially recognized at that time, the new dance band was given a small allocation prior to their official acceptance. This action, we think, will be very well received by the student body as this is an organization which has been needed for a long time. Aside from the fact that it will be an extra-curricular activity, it will also save the students quite a nice sum of money which has had to be paid for dances in the past.

Altogether, the council and one of their advisers, Mr. John Longo, spent approximately three and one half hours deliberating (and arguing) about the budget; Mr. Mat-tern couldn't stay because of other commitments. As you can see, it was not pushed through too hurriedly and the council hopes that the student body will be satisfied with the results.

In the next issue of this paper we will try to give you further information regarding this subject and also your Council.

TRAFFIC REGULATIONS

The traffic committee of the new Student Council would like to remind the student body of certain regulations that are in affect regarding traffic.

1. The speed limit on campus grounds is 15 M. P. H.
2. Parking on top of the hill is limited to 5 minutes, whether the driver is in the car or not.
3. All cars must be registered. There is a fine of one dollar if the culprit is apprehended.
4. Any student receiving three tickets will be faced with disciplinary action not under control of the traffic committee.
