## STUDENT COUNCIL MEETS

Your student council held a meeting Friday，Oct．31， 1958 and took care of seve－ ral matters which were at hand．A special neeting was mentioned for a later date to take up a budget matter and special pressing affalr which must be clean－ ed up before progressing much further．

The council eoted funds to pay for the＂Sadie Hawkins＂ Dance along with funds to send the five chosen menbers and WIr．Mattern to Hershey to attend the Junior College Conference as is done every year．They will attend this function Nov． $7^{\prime}$ th and 81 th and probably will give an account of what was learned to this paper upon their $r$ return．

A financial set of rules was acted upon and a copy will be forthcoming to all depen－ dent organizations in the near future．Any derivations from these rales will be the responsibility of the advisors i of the separate organizations．

The campus now officially has a＂Dance Band．＂The group has been recognized as an extre－curricular activity of the campus and may look forward to being well receiv by the Student Body in general．

The House Rules Committee reported that thay spent a lot of time and energy o cleaning up＂REC＂hall and council wishes that the students using this building would appreclate their efforts and help keep it clean．

Incidentally，we would apprectate it if the person who＂borrowed＂ our stopmatichee would please return them，as they are needed for the basket－ball games．

It is a shame and a disgrace to our student body that all the decks of cards were ruined（shaved and narked） and also the chess and checker sets．It is your money；if you want to waste 1t，go ahead．

Other financial matters were discussed and acted upon at this neeting， but they came under the general run of business and aren＇t worth talking about at this time． ＊。＊。＊。＊，＊。＊＊＊。＊，＊\＆＊＊＊＊＊＊

CONFUSION，ANYONE？ by MO

Everyone pround here seems to know whet he is doing． What we need is e little organtzed confusion．Now， we still have a chance to bring this about，but time is running out fast．

We have all heard of the Beat Generation，Beats for short，Well，to be pro－ perly bent，you nust be－ Hong to a small group． However，at the last count， the membership was rising rapidly，so that soon this exclusive group may deter－Elephant：＂Though mother iorate in quality rom ovepimay be short on arms population，and will pro－her skin is full tibably have to get a char ter as a national organ－ Hzation，like the Mickey Mouse Club．
i．

CONFUSION，CONT． If we want to get in，while the Beats are still beet， we nust quickly organizo a Highacres Chapter．We woul not，of course encourage pseudo－intellectuals，in－ tellectuals，non－intelloc－ tuals or ex－intallectuals， This is strictly for the genuine Beats．To qualify as a Beatnik，a fow things are necessarys a clear， direct pronunciation of the words＂beet＂，＂men＂，and ＂cool＂，with a few pronouns adverbs，etc，for variety． A black jersey will also be required，together with a hopeless，desclate look． The sefest policy for mem－ bers to follow would be not to express too many ideas on anything，but to－ gether with a urary eye out for innovations and just let everything remain com－ fortable beat．

Well，there it is．Besides the obvious intellectual values，it serves econonic purposes as well．Black jerseys are the cheapest things imaginable，and look very attractive dressed up with a colorful black scarf

So let＇s hear solie disill－ ：usioned volces on this sub－ ject，and perhaps we can i confiscate a cellar in the 1 new Ctudent Union Building
 ISKINS THEY LOVE TO TOUCH： 1 Of warnith and charms And mother＇touch ton baby＇s skin
Endears the heart
that beats within．
