COMMUNITY CHORUS NEWS

The College - Community Chorus under the direction of Miss Pearl Garbrick has announced plans for a concert to be held in early December. The program will include Benjamin Britton's "Ceremony of Carols" and a portion of Bach's Christmas Oratorio. The text of Mr. Britton's work is quite unique in that it is written in Middle English, Latin, and Modern English. Bach's Christmas Oratorio is the Christmas story told in music.

At present plans are to hold the concert in the SUB. Further details will be announced at a later date. The Chorus also plans to sing at the dedication of the new SUB.

The Chorus consists of 43 voices and three accompanists. Sixteen students from the Hazleton Campus are participating along with three faculty members. This year the student percentage has proved to be the best in the history of the Chorus. The rest of the members are from the community. Practices are every Tuesday

at 7:30 P.M. at the Grace United Church of Christ Auditorium.

Attendance is good; enthusiasm is high—so we can look forward to a good performance.

HI FI JUKE BOX FOR SUB

The Student Council has made arrangements to provide the new Student Building with a 45 rpm hi-fi juke box. It will be placed in the main room and a nickel slot has been placed on this machine by special request. It will provide a source of income for the student body and we think the students will enjoy having the machine both for listening and possibly juke-box dances.

The House-Rules Committee is in charge of this machine and records will be changed and added every two weeks.

RECK HALL CLEANED

The big dust cloud seen emerging from the "reck" hall Thursday, Oct. 30, was not caused by a freak dust storm. Several students under the supervision of The House Rules Committee were fed-up with the deplorable state in which the students keep the rec-hall and decided to do something about it. Special thanks to R. Condash, P. Miller, A. Von Burg, T. Santore, A. Schumacher, B. Demko & H. Richard.
