

BIG JIM CATALDO REPORTS

INTRAMURAL BASKETBALL

The Bootleggers and Rebels chalked up victories in the Intramural League games played at Arthur Street November 20.

The Bootleggers coasted to a 64-47 win over the Vets. Bettine and Rodzewich lead the Boozers with 24 and 22 respectively. High man for the Vets was McKiniry with 26.

The Rebels didn't have such an easy time as the game was contested right down to the wire. The winners were paced by Casari and Milne who combined for 33 points.

The best man for Berwick was Brugger with 17.

THE HIGHACRES JAZZ BAND

Tommy Clatch

The school had a sample of what our newly organized jazz band can do last Wednesday night, at the Thanksgiving dance. Mr. McKinstry, a cool trombonist, is the advisor of this unique (for HIGHACRES) organization. The organization now consists of 4 saxes, 2 trumpets, 2 trombones, drums, and piano; but more players are still welcome. Not only are they welcome, they are really needed.

The band now has only 35 arrangements, but 15 more are expected from our student government soon.

A really amazing note is that this group held only four rehearsals, lasting from 3 to 4 hours apiece. Their excellent playing must be attributed to the real enthusiasm that sparks the organization.

From the comments heard at the dance, we believe that the combo that played during the breaks was even better liked than the band itself.

We are confident that the band will sound better and better as time rolls on. Lets all give it as much support as possible.

SUB COMING ALONG

As you probably have noticed, our SUB is slowly filling with furnishings and becoming more livable. The West Hazleton Lions Club donated \$1000.00 toward the purchase of furniture for the 1st floor lounge. This, of course, is not enough cash to cover the complete cost of furnishings, but money from University sources has been added and the furniture is on the way.

The Hi-Fidelity in the corner music room was an anonymous gift. A record library is planned, but before it is begun, students may bring their own records in to listen to them between classes.

Blindings for all the windows in the finished rooms of the building have been ordered.

A large set of dishes has been donated by Mrs. Buckley, one of our neighbors.

Recreational equipment has been ordered for the unfinished 1st floor room.
